Save Money

Eliminate piece work overpayment with the FairPick. Paying by weight is fair and improves accuracy. Many grower's return on investment occurs in one season or less!

Increase Profits

Expenses are rising. Data-driven decisions help maximize profitability and ensure long-term success. Invest in your farm's future: pay only for produce picked and cut labor costs.

Fast Payroll

No more hand-counting punches and tokens or wasting time with illegible tickets. Payroll data is ready with the click of a button. Improve accuracy with minimal manual data entry.

The FairPick system is NTEP certified. Compliance is a priority in today's farming environment.
